

Very Important Information Needed

Parents and Guardians of Geneva Giants:

Beginning immediately, we need to have an email for each household and parent.

Emails will be entered into Skyward, the district's computer program for registration, attendance, and grades. Emails are NOT public and can only be seen by the office and teacher.

Each family will need an email on file to be given access to your child's Skyward account.

The district has instructed the school to communicate with parents through email and Skyward.

*Beginning in 2017, class lists will no longer be posted publicly. In order to know which class and teacher your student has, you will need to log in to Skyward.

*Parent teacher conferences (SEPs) will be scheduled by logging in to Skyward.

*Logging into Skyward will allow you to check student progress and current grades & assignments.

*Important communication and announcements will be sent through email.

Parents, we need to have an email address from each of you **no later than Monday, March 13, 2017**. As soon as we process this information, you will receive an email that allows you to arrange your Skyward password.

If you feel you have provided an email already, we ask that you still return this form to verify that the email we have on file is correct.

If you have a new phone number or have moved, please call the office to update this critical contact information at 801-610-8108. Thank you!

- Name of student(s): _____
- Name of parent or guardian 1: _____
- Current email address of parent 1: _____
- Name of parent of guardian 2: _____
- Current email address of parent 2: _____
