### **GET TO KNOW**

My name is Kendyl Jolley. I was born in American Fork and have lived in Utah all my life, and love it so much! I love the outdoors and enjoy camping, hiking, stargazing or fishing. I also love traveling and being able to experience new culture and being open to learning new things! I am currently attending Utah Valley University and studying Health Education. I love having this opportunity to teach and interact with the kids here at Geneva! They are all so amazing! It has made me so excited to become a teacher!
